

IFC, a member of the World Bank, is the largest global development institution focused exclusively on the private sector in developing countries. Established in 1956, IFC is owned by 184 member countries. Our work in more than a 100 developing countries allows companies and financial institutions in emerging markets to create jobs, generate tax revenues, improve corporate governance and environmental performance, and contribute to their local communities

Internship Opportunity at the World Bank: International Finance Corporation | Infrastructure PPP Advisory Department

IFC's Infrastructure PPP Advisory is focused on assisting governments to develop and bring to market public-private partnerships (PPPs) and concessions primarily in infrastructure and social sectors with the objective of improving people's access to high-quality infrastructure and basic services and implementing reforms that encourage private investment. The Intern will work as part of the project team to assist in the origination, due diligence, structuring, negotiation and bidding of infrastructure projects.

Main assignments

- Support Infrastructure PPP Advisory Department activities;
- Prepare presentations for current and potential governmental clients, with guidance from the Investment Officer;
- Gather required information to support the elaboration of documents;
- Prepare internal reports using official data, sector reports and other sources, with guidance from the Investment Officer;
- Organize and analyze data obtained from various sources on routine and case-by-case basis;
- Support the portfolio management;
- Support financial modeling activities;
- Participate in meetings when deemed necessary by the Investment Officer;
- Perform duties as requested by Investment Officer.

Requirements

- Studying Business Administration, Economics, Finance or Engineering
- Law graduates can also apply, as long as in a dual degree in one of the above fields
- Graduation as of July 2025 or later
- Knowledge in accounting and finance
- Fluent English is required
- Advanced Microsoft Excel skills
